

Funding Application Form

All fields of application (white boxes) must be completed fully and returned directly to Rotary Club of Hornby. Ideally forms will be submitted electronically via email (PDF). We encourage you to take a copy of the application form for your own records. Primarily our funds are raised to support activities in the Hornby area. Applications can be made for individuals, groups or specific activities.

Managing your expectations:

Please remember that our funds are limited, and we typically support 2-5 projects per year (depending on the size), so not every application will be supported. Note that your application process may take up to 3 months for Hornby Rotary Club to respond.

ORGANISATION DETAILS
